

## Don't just get your hair cut...

Schedule a Dennis James Hair & Body experience.

When you schedule your appointment with a Dennis James Salon stylist, you'll be working with one of the areas best, most experienced stylists. And, you'll be treated with respect and care. Our stylists greet you, do a preliminary consultation and get you in and out and on your way. Not that we rush. We just simply respect your time.

And, as we said, "Don't just get your hair cut." Treat yourself to nourishing hair care, coloring, straightening and more. While you are here, take some time with our esthetician or manicurist. We offer skin nourishing treatments, waxing and manicure/pedicures that will make you feel and look your best.

This is just a partial list of our hair care services. Be sure to review our esthetician and wedding day pages as well.
