

Say “I Do” with the perfect hairdo

From your initial consultation to your exciting and memorable day, we want to work with you to coordinate the look of your entire wedding party. Whether you are considering a casual or elegant affair, our stylists will work with you to set the tone and make you look and feel your best.

The real key to success is planning. You may want to consider contacting us up to six months prior to the big day. This advance planning allows us time to work together to resolve any color, condition or style (hair length) issues.

Our wedding services include:

Free consultation with you and/or your wedding party
Portrait day hair and make-up for the bride
Wedding day bridal hair design with headpiece
PerfectTress® Hair Extensions to create the perfect look
Wedding day hair for the bridal party
Classic manicures for you and your party
Pedicures
Esthetician services
 facials
 skin analysis and problem-spot resolution
 eyebrow shaping
 waxing
(Plan these esthetician services prior to your wedding day.)

Makeup Artistry
 A makeup specialist will provide the custom colors, contouring and highlighting for your individual skin tone and style
Haircut and style for the groom
Haircuts and style for the groomsmen
Manicures for the men
Eyebrow shaping for the men
Facial hair trimming for the men
Facials for the groom

Wedding service pricing is based on many options and the total number of individuals in your party. Please allow us to provide our free consultation and then provide you with a wedding package price.

thank you for considering our salon to provide you and your wedding party with our finest hair, make-up and esthetician services.
